

Paper Ladybug

Step 1: Take a horizontal piece of paper and fold both sides to meet in the middle.

Step 2: Take the top left corner and fold it behind the paper to meet the top right corner. You should be left with one rectangle with the right fold on top.

Step 3: Cut out a wing shape from your fold.

Step 3: Unfold your wings. Then, refold the right and left wings to meet in the middle.

Step 4: Cut out a head shape and glue onto the body.

Step 5: Color!
