

Cardboard Cookie Collage

Follow the steps below to create your own cardboard cookie collages!

1. Cut out circles from a piece of cardboard. You could recycle any empty packaging box! If you don't have any cardboard, cut out the circles below.

2. Gather your materials. You could use paper, buttons, stickers, string, and anything else you have laying around to create your cookies.

3. Glue or tape on your decorations! You can add icing and toppings to finish your cookies.

4. Use your finished cookies for decorations or playtime!
