Day

Scrabble was invented in 1933 by Alfred Moshier Butts. The game was originally named Lexiko and then Criss-Cross Words before it was named Scrabble. Did you know that Scrabble is played in over 100 countries and in 31 different languages?

How many words can you make using the letters from Art Sphere?

Hint: Try making words with the letters P and H to earn more points.

A R T S P H E R E

Solutions: ape pat pea pet rap sap tap ash has hat her she the are art ate ear eat era rat sat sea see set tar tea tee ease east hare harp heap hear heart here hers part past path pear peer pest rare rash rate reap rear rest sear seat seep star step tarp tear trap tree earth erase haste heart paste phase reset shape share sharp shear sheep sheer sheet spare spear spree stare steep steer strap there these three trash eraser phrase preset rather repeat sphere tease preheat sharper
